

Tasmanian Chamber Alliance

The majority of Tasmanian chambers of commerce have joined forces to create a strong, state-wide representative group - the Tasmanian Chamber Alliance (TCA).

Initiated by the Tasmanian Chamber of Commerce and Industry the chambers joined the TCA to strengthen the chamber movement. Additionally, the TCA enables regional chambers to provide a greater range of services to their members.

Members of regional chambers who have joined the TCA are automatically subsidiary members of the TCCI and receive benefits of a Basics level membership.

Join your local Chamber

In order for the voice of Tasmanian businesses to be heard, it is essential that they are represented by their local Chamber. Those members of regional chambers in the TCA are also able to join the TCCI directly, if they choose to. The cost of the regional chamber membership will be deducted (up to \$399) from the TCCI membership (Essentials level and above) to encourage dual membership of the regional chamber and TCCI.
