

Workskills.

We're here to find the people you need.

Right Job.

Right Person.

Right Fit.

At no cost to you!

We can:

- Prepare candidates to gain the skills, qualifications, tickets or licences required by industry prior to employment
- Screen candidates and refer suitable candidates to you
- Provide assistance with interviews and pre-employment checks if required
- Provide Post Placement Support for up to 26 weeks to assist with our candidates' transition into employment (e.g. training, tools or equipment)
- Inform you about Australian Government wage subsidies available to assist you with the initial start-up costs of hiring a new employee

Workskills has been delivering employment services on behalf of the Australian Government in Southern Tasmania for over 30 years. We understand the needs of local industries and employers.

Workskills has the staff with the skills, experience and networks to assist employers in all sectors with their staffing and recruitment needs.

We have offices at Hobart, Glenorchy, Bridgewater, Rosny and New Norfolk and Outreach services to Huonville, Sorell and Triabunna and we can adapt and tailor solutions to meet your individual needs.
