## TCCI Work Ready – Are You Thinking of Hiring a New Employee?

**Work experience opportunities required**

A key part of these programs is the opportunity for participants to undertake work experience to demonstrate they are work ready.

Key Information:

- Participants are fully insured
- Voluntary participation – participants are motivated to gain employment
- Work experience runs for four weeks at four days per week but is flexible depending on business requirements
- Preferably commencing the Monday following the networking function

Networking functions will be held in Launceston and Hobart to provide an opportunity to meet participants prior to committing to providing a work experience opportunity.
