

Workplace Coaching

TriMetrix Coaching

Individual Session Content

Combining behavioural style, personal motivators and emotional intelligence this course is literally the ultimate in understanding why we do what we do.

Report content includes the following:

- **HOW** we behave and communicate – DiSC assessment
- **WHY** we move into action – Workplace Motivators assessment
- **DO** we actively apply the principles of emotional intelligence – TTI EQ assessment

The individual session includes a 1.5 hour debrief of report and support to develop a personal action plan. Ongoing coaching accessed at regular TCCI rates.

Who should attend?

TriMetrix is the ultimate tool for enhancing self awareness and effectiveness in the workplace. This is especially useful for emerging supervisors, team leaders and managers to assist in developing a better understanding of how they are perceived as well as actions to take to build on strengths and develop limitations.
