

## Workplace Relations Essentials

### Course Content

This workshop covers the essential workplace relations information required for business compliance and in particular focuses on the “Big 5” issues that employers are consistently facing:

- Pay rates
- Social media and business reputation
- “Sickies”
- Bullying
- Performance management

### Who should attend?

This workshop is ideal for anyone managing employees in the work environment that requires understanding of workplace relations legislation and requirements.

As part of the package you will also receive our Workplace Relations HR Foundations package which includes:

- Anti-discrimination and EEO policy
- Social media policy
- Performance and misconduct policy
- Personal grievance policy
- Workplace bullying policy
