

WHS Supervisor

Workplace supervisors, team leaders and managers are responsible for ensuring compliance with WHS legislation. This responsibility can be overwhelming for some employees.

This course provides an overview of the requirements of supervisors and team leaders in the workplace as well as offering participants a practical understanding of the what, why, when, how and who of WHS.

This course provides an understanding of:

- WHS legislation and documentation
- WHS requirements under legislation
- Legal obligations for employees and employers
- Participation requirements for WHS – including safety meetings
- Duty holders and their WHS responsibilities
- Hazard identification, assessment and control of risk
- WHS training, induction and record keeping requirements
