

## WHS Frontline

In order to have an effective WHS system, all employees need to understand their role, rights and responsibilities.

WHS Frontline has been designed for frontline staff to support employers in ensuring all staff have the knowledge and skills to understand, apply and adhere to WHS requirements.

This course provides an understanding of:

- WHS legislation and documentation
- WHS requirements under legislation
- Legal obligations for employees and employers
- Reporting of and consequences of non-compliance
- Limits of own expertise and legal duties
- Accident and incident reporting
- WHS consultation

### Delivery Information

Duration: 2 hours  
Locations: State-wide

N.B. Workshops can be customised and delivered on site.

### Who should attend?

This course is designed for all people working in the 'frontline' of business and provides a foundation for understanding and applying WHS practices in the work context.

Participants will develop a stronger understanding of the importance of WHS policies and procedures from a personal safety and business compliance perspective.

### Investment

\$50 TCCI member

\$75 non member

Participants will receive a certificate of attendance.
