Workplace Motivators

Course Content

Workplace motivators explains why people move into action. Every person is motivated by a unique combination of six key motivators.

All participants will undertake a 15 minutes online assessment prior attending and will be provided with a personalised report to explain what motivates them and why they are more engaged with some things than others.

Workshop content will address the following:

- Be **aware** of what their motivators are
- Be **aware** of others' motivators and the impact they have
- Take **action** to manage or impact their own motivators for the better
- Be respectful of other people's motivators
